
**Are you a Curriculum Leader?
Does the scope of your role in
the district continue to expand?
Do you often wonder who to call
for assistance?**

Anyone who has assumed responsibility for curriculum leadership at the district level or has been assigned any type of support role will benefit from this fast paced day of information and networking!

The purpose of this workshop is to acquaint curriculum leaders with a few of the major task areas of directing, managing, and facilitating curriculum and instruction. At the same time, participants will learn about KASCD, the Kansas network of curriculum leaders who provide information and support.

COME ...
for the *KASCD Curriculum Leadership Academy* then
STAY ...
for the *KSDE Curriculum Leaders Meeting*,
the next day!
