The Premier Kansas Education Organization Focused on Teaching and Learning Continues Move from Success to Significance by Judy Welter, KASCD President

KASCD continues to significantly impact teaching and learning in the state of Kansas. This impact is made by the support and effort of all members and from the planning by the KASCD Board of Directors. Open positions on the board have been filled by the following educators for 2008-2009:

President: Judy Welter, Paola Assistant Superintendent; **President-Elect:** Steve Splichal, Hiawatha Assistant Superintendent; **Past-President:** Sherry Reed, Auburn-Washburn Curriculum Coordinator; **Secretary:** Jean McCally, Ottawa Assistant Superintendent; **Elementary Rep:** Ruth, Miller, Pittsburg Principal; **Middle Level Rep:** Rick Smith, West Franklin MS/HS Principal; **Higher Ed Rep:** Ed Church, Emporia State University Instructor; **Teacher Rep:** Jolene Ricard, Auburn-Washburn Instructor; **Treasurer:** George Abel, Emporia Assistant Superintendent; **Communications:** Teresa SanMartin, Maize Director of Elementary Education & Assessment; **Liaison to KSDC:** Deb Perbeck, Parsons Superintendent; and **Liaison to KASB:** Doug Moeckel, KASB.

The KASCD Board of Directors will meet in June to celebrate the many accomplishments of the 2007-2008 year under the leadership of Sherry Reed, past president:

1. **Curriculum Conversations**-Informal discussions held the evening before the KSDE Curriculum Leaders Meetings.
2. **KSDE Networking Discussions**-One hour KASCD-lead discussions before the KSDE Curriculum Leaders Meetings.
3. **Curriculum Academy**-Year 1 and year 2 leadership development for new and experienced curriculum leaders.
4. **KASCD Website**-The development of an impressive website utilized for resources and just-in-time information.

5. **Fall Institute**-Our annual institute held in collaboration with KSDC.

These accomplishments will now be revisited at the June KASCD Board of Directors Retreat as planning occurs for the 2008-2009 school term.

Additional goals to be reviewed for the year include:

1. Planning an influence/advocacy activity
2. Recognition of an emerging leader
3. Study the need of a pre-teacher student activity
4. Development of the Year 3 Curriculum Academy
5. Applying for the ASCD Affiliate Excellence Award

With the support of each KASCD member, we will be able to accomplish these significant goals, which will strengthen our recognition by Kansas educators as being the organization that makes significant contributions to the field by collaborating with other educational organizations, providing just-in-time training, influencing educational policy, and recognizing outstanding leaders.
